1.0 INTRODUCTION TO THE CONVENTION

After the tremendous response received for the 2011 Lean Six Sigma International Convention conducted at Hyderabad, India on 26th & 27th February, LASSIB had decided to conduct National Conventions in the tier II cities all over India. With the help and support of the organizing partner RedMad Learnings, LASSIB has been able to successfully reach out to the professionals and students of Visakhapatnam.

The convention aimed at promoting and creating awareness about Lean Six Sigma – Its applications and benefits across all industry domains through sharing of best practices, live case studies and research.

Convention Theme and Focus Areas
